[I currently work with women with adhd and anxiety](#)

## Summary

Private practice therapist with 27 years of experience working with clients suffering from adhd, anxiety, depression and bipolar disorder. Creator and moderator of the Support for Parents of Children with Bipolar and Mood Disorders and Charlotte Therapist and Social Work Group Facebook group with over 3,500 members. Author of two web sites providing over 150 content pages with information for sufferers and the loved ones of sufferers of anxiety, depression and bipolar disorder.

I also developed the local child advocacy center in my area as I began my practice as a specialist in trauma and child sexual abuse.
